

DO YOU HAVE YOUR PASSPORT?

If you have had a passport for a while, make sure you -

~Can find It

~Verify it's valid, and that it won't expire until at least 6 months past your travel date!

~Make a copy to leave at home in case it's lost/stolen

If you got a new passport - do you have it in yet?

Everyone needs a PASSPORT BOOK to travel outside of the US! If you are not a US Citizen, you must verify that you have the proper entry requirements. It is also your responsibility to verify all entry requirements. You can find more information at www.travel.state.gov

You CAN NOT travel with a Passport CARD, you MUST HAVE A BOOK.

Traveling with children?

They need passport books, too!

IMPORTANT! If you don't have both parents traveling with the child, special permission is needed to travel, so please check with us!

Please, contact us with concerns or questions!
